MEMORANDUM FOR: Assistant Director, ONE
Assistant Director, OCI
Assistant Director, ORR ✓
Assistant Director, OSI
Assistant Director, OIC

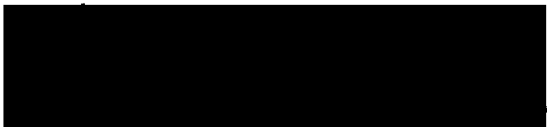

SUBJECT: State Department policy with regard to
release of intelligence and policy papers
to CIA

1. The DD/I has asked me for comment on the attached letter from Mr. Fisher Howe, which is in response to an ONE request for fuller coverage on certain recent conferences.

2. OCI, ORR and OSI not infrequently have levied requirements upon OCD for State Department papers similar to those which were requested by ONE in the present instance. The policy enunciated by Mr. Howe will necessarily have a direct bearing upon State Department's future dissemination actions in response to all such requirements.

3. It is requested that each addressee supply to me by 25 July 1952 such comment as it may wish to have incorporated in my reply to DD/I.
